Dear Students

You are asked to list your selection of Options in order of preference from 1 to 4. From these you will be given **THREE** Options to study next year. Every effort will be made to give you your first three preferences. However, because of class size restrictions and other considerations, this may not always be possible.

Note:

- If you are learning, or intend learning, a musical instrument or are studying singing at Mercedes, it is advisable to select Music as one of your first three preferences as this will complement your instrumental study. It is not obligatory.
