Dear Students

You are asked to **list your selection of Options in order of preference from 1 to 5**. From these you will be given up to **FOUR** "2 period" Options to study next year. Every effort will be made to give you your first four preferences. However, because of class size restrictions and other considerations, this may not always be possible.

Note:

- Italian, French, Media and Physical Education Studies are offered as 4 period options. (i.e. 4 periods). Each will cater for two of your preferences.
- If you are learning, or intend learning, a musical instrument or are studying singing at Mercedes, it is advisable to select Music as one of your first four preferences as this will complement your instrumental study. It is not obligatory.
