Year 12 2009 Subject Selection Sheet

Name _____

HR: _____

With reference to Graduation and Tertiary Entrance requirements as outlined in the *Mapping your Future* booklet select **6 subjects/courses** including one English subject and Religious Education.

If you are enrolling for INSTEP select INSTEP on ANY line and then 5 other subjects including an English subject and Religious Education.

1. Using your timetable, locate the subjects you are currently studying and highlight or circle them, being careful to select the correct code - eg D505 01 is different to D505 02.
2. If you wish to continue studying the same subject, highlight or circle the corresponding Year 12 subject immediately below it. Note that some subjects change their name.
3. If you wish to change subjects, select another one from the same row (gridline), remembering that all subjects on that row occur at the same time.
4. All classes will eventually be balanced for numbers so there is no guarantee you will be in exactly the same classes as this year.
