

## BREAKFAST ARTICLE FOR SUMMER LINK

Sunday October 18 was the date for the annual MESA breakfast for 2009. The venue for this year's breakfast was the Secret Garden in South Perth which proved to be perfect on a lovely spring morning. Ex students braved the early morning to reconnect and catch up with other ex-students from various years. Conversation and laughs were heard all round with the largest contingent from the Class of '87. We reminisced about the old days as well as shared our current lives which inevitably included spouses and children. Tea and coffee was provided by MESA for life members and everyone enjoyed their hearty meals in the lovely surroundings of the deceptive outdoor area. Although numbers were less than we anticipated there were more participants than 2008 and with word of mouth and a change of date we hope for an even bigger event next year. A door prize was offered by MESA and aptly won by Sheena Barbar, the current principal and ex student of Mercedes. All in all a successful breakfast was enjoyed by all who attended.
