Key Dates

Thursday 17 May
Yr 12 Career Mentors’ Breakfast 7am

Sunday 20 May
Open Day 11am - 1.30pm

Monday 21 May
Junior Volleyball

Tuesday 22 May
Advisory Council Meeting 6pm

Wednesday 23 May
11.5 RE Mass
INSTEP 2nd Placement - New Student Induction

Friday 25 May
ACC Para Fun Day
Trinity Junior and Middle School Music Night
Father/Daughter Camp (25-27 May)

Monday 28 May
Yr 10 Red Shield Service Day

Tuesday 29 May
Yr 7 HPV Vaccinations

Wednesday 30 May
11.6 RE Mass
Yr 10 Career Information day - Curtin University

Thursday 31 May
ACC Cross Country & ACC Para Cross Country

Principal’s Report

“If we wait until our lives are free from sorrow or difficulty, then we wait forever. And miss the entire point.” Dirk Benedic

You would have read in our last Sorelle that we are introducing two new Houses next year. This is an action in our Future Plan that was recommended by one of the action research teams back in 2009 and much work and planning has happened since. Much research was done to arrive at the short list of patrons and thank you sincerely to those of you who emailed us back with your choice. The patrons of the two new Houses will be Wright (in honour of Sr Mollie Wright) and Cooper (in honour of Sr Loyola Cooper) and the corresponding colours will be purple and orange. We hope that by extending our House system, many more girls will have the opportunity to participate in the many and varied House activities. Also, as from 2013, Year 7 Homerooms will be organized into House groups. This will immerse the girls in their House and really further assist in laying the foundation with our younger students for the House spirit that has always permeated life at the College.

I was reading an article recently that I thought was worth sharing with you. It was talking about giving our children advice on how to achieve their goals and the first thing it said was to encourage them to think big. According to the article, studies show very clearly that men are more ambitious than women. Also, that compared to men, women underestimate their performance. When asked questions about their results, men get it wrong slightly high; women get it wrong slightly low. More importantly when asked why they succeeded, men attribute that success to themselves; and women attribute it to other factors like working harder or help from others. So women need to own their own success.

So each day as women we celebrate all the hard work that got us to the place we are – whether we are Mums working in the home full time or Mums working hard to establish or maintain a career, or Mums working as hard as we possibly can to make ends meet and provide for our children a better life than perhaps we had. We are role models for our daughters and for all young women with whom we come in contact. So we remind our young women to thank all the people that help them along the way, nurture them and teach them, who hold their hand, who dry their tears. Most importantly we encourage them to believe in themselves. So, the challenge for the next fortnight for each of us – Find something good in our children.

Insight from Catherine McAuley:

“Our words must be kind and gentle, amiable and polite. We must have a warm cordial feeling for all and manifest it by words, actions and manner.”
Gospel Reflection

Mission Leader's Musings

Sunday 20 May 2012: The Ascension of the Lord

Mk 16:15-20

This passage makes up the concluding verses of the Gospel of Mark. The community in which this gospel was written expected Jesus to return within their lifetime and so the discovery of the empty tomb was dramatic and suspenseful, yet made sense for them. However, it soon became clear that Jesus’ return was not going to come as soon as the believers had hoped and so the post-resurrection appearance and the commissioning of the disciples to continue on with Jesus’ work became much more important for these early followers.

In this Sunday’s Gospel we hear about Jesus sending his followers out ‘to the whole world’ to continue his ministry. It is the ‘whole world’ to which they are sent; not just their cosy little corner of the world but they are challenged to venture far, to unknown places. It’s what Christian people for the last 2,000 years have been called to do: continue Jesus’ ministry. Just as the Sisters of Mercy who have gone before us and whose shoulders we stand were called to do, it’s what each and every one of us is also called to: ‘proclaim the Good News to all creation’. That doesn’t mean standing on street corners with a Bible in our hands but it means proclaiming the Good News through our everyday actions and by being open and honest about our faith. Let’s commit to taking the first small steps to making this a reality in our life!

Some questions to ponder:

How is it possible to be a proclaimer of the Good News today?

How can our actions towards others proclaim our beliefs?

Who do you know really lives their beliefs and in that way proclaims the Good News?

On Saturday and Sunday, 5/6 May, Mercedes College again participated in the Relay for Life. Over 48 students and staff slept overnight and walked the 24 hour relay to raise awareness of breast cancer. A group of very generous staff and parents joined them. I would like to particularly thank our parents - Terry Richards, Gerry Clifford, Kylie George, Billie McMullin, Caroline Brewer, Peter Hughes, Lindsay Haines and Nancy and Robert Di Carlo - who generously gave time to help set up and dismantle or provide some wonderful food.

Last Friday we had many of our mothers and daughters join us for the Mother’s Day Breakfast. The mums were treated to a beautiful cooked breakfast, all prepared by a very generous group of Dads of Mercedes - Mark Baxter, Terry Richards, Mark Brambilla, Gerry Clifford, Dom Gonsalves, Ron Phoneyment, Gary Fernandez, Neil Hay, Brian Cherry, Jim McDermott - and hosted by the girls. One of our mums, Tina Jack, wrote a beautiful prayer to begin the morning. The whole event was very special and thanks must also go to Jackie Stacey, Parent Liaison, for all her organization and hours of preparation. I hope, too, that all our mums and grandmothers had a great Mother’s Day last Sunday.

Last Saturday night many of you would have enjoyed and celebrated the wonderful talent of our young women at the House Dance Festival. Each year the festival seems to get bigger and better and the talent of the student choreographers produces outstanding results. I must express my disappointment, however, at a small group of parents who have really responded in a way that I would not like to see our girls emulate. The purpose of our House Festivals is to foster the development of leadership skills and to allow students an opportunity to participate in events that live our mercy values of excellence and integrity while building House spirit. The last thing we expect of parents is to undermine the whole purpose and integrity of House events by disrespecting decisions made by respected and extremely experienced adjudicators. McDonald House was a worthy winner of the House Dance Festival and deserved their honours on the night. The standard of performance attained by all Houses was the highest yet, and showed that all the 2012 choreographers and their dancers worked really hard to achieve excellence. Well done to all the girls but special thanks to all the parents who supported their daughters’ efforts.

Mr Chris Cole will be on long service leave for the remainder of Term 2. We wish Chris a very restful holiday and safe travel. Mrs Lynn Jacobs will be joining the Executive Leadership Team as Deputy Principal Academic Services and Executive Support for Years 9 and 11. Mrs Loretta Wholley will be taking on the role of Deputy Principal Student Life and Executive Support for Years 7 and 12. Ms Callie Steven is Year 11 Coordinator for Term 2 whilst Mrs Marianne Morpeth is on long service leave. If you have questions or concerns regarding your daughter please contact the relevant person.

Peace and best wishes.

Sheena Barber, Principal

Open Day

Sunday 20 May 2012 / 11.00am to 1.30pm

Families are welcome to join us on Open Day.

Come and see the exciting new Sports and Learning Facilities, working Art Exhibit, Music Performances, Drama rehearsals and Classroom and Library displays.
Pastoral Care News

Year 7/8 Learning Community

Year 7 - Mrs Michelle Lloyd
Another busy fortnight has passed with our Year 7 students completing NAPLAN assessments in addition to preparing assessments as we approach our mid-Year reporting time rapidly approaches. It has been wonderful to catch up with so many girls having reached the Coordinator level for positive notes in their diary! Well done to our Year 7 students on their participation in the ACC Lightning Carnival last Tuesday. The girls were wonderful ambassadors for the College with many positive comments being made to staff members about their behaviour and the enthusiastic way in which they participated in their chosen sport.

Over the past fortnight, I have had many conversations with parents in regards to homework. It is important to remind parents that if you feel your daughter is spending too much time on homework, then your first port of call should be the subject teachers. It is also important that students make sure that they remain focussed on the task at hand when completing homework and not let themselves get distracted by technology while they should be completing their assigned tasks.

Year 8 - Mrs Melissa Trolio
Our Year 8 Community have been working steadily and progressing extremely well. I had the pleasure of seeing over 30 students this week reach the first level of positive notes in their diaries and earn themselves 5 house points. What is even more pleasing is to see that numerous students have also reached the second level where our Executive Support Member, Ms Rosa Speranza will award them with 10 house points. Congratulations ladies and I ask you to keep up the great commitment you have displayed in your studies.

Our Group Work Project has now also been officially launched and this week students had the opportunity to meet for the first time with their team members and be strategically challenged in some team building activities. In coming weeks, Perth city walks will be conducted to give students the opportunity to discover more about the city in which they live. I ask you to sign and return the permission slips to homeroom teachers promptly. Year 8 students are also to be commended on their outstanding level of participation displayed at last week’s Lightning Carnival. There was a strong sense of team spirit and I’m sure everyone enjoyed themselves outside of the classroom.

Year 9/10 Learning Community

Year 9 - Mrs Sherrin Adams
The unmistaken mingling of Lynx and Impulse, the flurry of brushes and excited fourteen year olds; the cause - dancing lessons of course! We have had a great start to the most exciting part of being a Year 9, including enthusiastic dancing, a great atmosphere of interaction between the girls and the Trinity students; as well as praise from the staff of Gilkisons. I have been very impressed so far - I hope the girls keep up their obvious enjoyment of this activity. On a related matter, a letter was given out this week concerning clothing requirements for the Rock Around the Clock Social. All students are expected to dress appropriately in 1950’s clothing.

Well done to the Year 9 students for approaching the NAPLAN tests with a positive attitude and desire to do well. Sitting five tests in three days is not easy - and the girls again showed what a great group they are by their positive approach.

Congratulations to the many girls who have participated in House Dance, debating teams and sporting competitions that have been held recently. Many of the girls do so much, whilst maintaining excellent academic progress. They are to be commended on their efforts.

All parents are reminded that the girls should be continuing their Mercy Service Learning activities, including their reflections on the activities completed.

Year 11/12 Learning Community

Year 11 - Ms Callie Steven
The College photo days have just come and gone with many students being photographed as part of their class and with co-curricular groups. As always, it was great to see the students all looking their best! And also amazing to see how many Year 11 students are involved in many of the activities that the College offers. Just a reminder to polish shoes to keep them looking presentable and that the College blazer must be worn to and from school.

It is also encouraging to see students now focusing on their studies with the exams in mind. The exam timetable will soon be released, but students can still continue to work with their own study timetables, adapting them to focus on areas of weakness. Study timetables are working documents and can be changed from week to week if they are not working.

Although study is very important, it is also crucial to have balance in your life. The girls should take breaks and exercise as well as spending time with family and friends. It is also important to get a good night’s sleep. However, I have noticed that too many Year 11 students seem to have trouble waking up on time and are often late to school. Please impress the importance of punctuality on your daughters, both to school and to each class. Thanks for your continued support.

Year 12 - Mrs Bernadette Dell
We have begun to hear from representatives of the tertiary education providers. These talks may help the girls to make their choices for the future. We will have speakers from all the universities, TAFE and an advisor from TISC, who can assist in the
technicalities of putting in applications for the public universities. The Open Days for the various institutions are also widely advertised by our Careers department so the girls will have many opportunities to explore the opportunities available to them.

The girls who are becoming stressed about keeping up with their course work should be taking advantage of the support that is provided by Mercedes staff. If they check announcements in the Bulletin, or ask subject teachers, they will be advised of the days and locations for extra help. In addition, external courses are advertised through the newsletter, the Leavers’ room bulletin board and in the Year 12 Homerooms. ECU, for example, offers free WACE preparation for a wide range of subjects at both its Mt Lawley and Joondalup campuses. Registration details are on a poster in the Year 12 area in the Serisier Learning Centre.

Curriculum News

Information Technology – Mr Des Loh, Head of Learning Area - IT

Year 8 Live IT Up! Excursion

The Year 8 Live IT Up! (Information Technology) students were recently involved in an excursion called Computer Game Research Through Play. Students are asked to draw on knowledge gained from this excursion and incorporate it into their coursework and assessment task.

The location was Timezone, in the heart of Northbridge. Mr Loh and Ms Nyunt accompanied an enthusiastic group of students all eager to unleash their gaming skills. At Timezone, students were handed a Powercard enabling them to play a certain number of prize games and an unlimited number of video games. Students were even able to accumulate points while playing. At the end of the excursion, these points were exchanged for prizes.

Back in class, students were required to complete a worksheet based on how they engaged in the games at Timezone. Students needed to outline what a good game is made up of, what the goals are of various games, how music heightens the enjoyment of game playing and so on. This Term, students are taught how to create their own game using Game Maker. They will be given the opportunity to work collaboratively on a game design task.

General College News

Careers

Over the next few months Universities, Institutes of Technology and other private providers will be organising events to help students in planning their future pathways. It is important that students in Year 10, 11 and 12 are aware and make the effort to attend the events. Events/programs scheduled within the next month:

Curtin University:
Year 10 Parent Information Evening - Wednesday 20 June. www.futurestudents.curtin.edu.au

Edith Cowan University:
Year 10 Pizza Night - Joondalup Campus - Monday 21 May and Tuesday 5 June / 6pm; Mt Lawley Campus - Monday 28 May / 6pm. Visit www.ecu.edu.au/future-students/events to register online.

Information Evenings
Business, Tourism, Hospitality, Law and Justice - Joondalup Campus - Monday 21 May / 6pm; Mt Lawley Campus - Monday 28 May / 6pm
Communications, Arts, Creative Industries and WAAPA - Mt Lawley Campus - Monday 28 May / 6pm
Teaching, Children and Communities - Joondalup Campus - Tuesday 5 June / 6pm
Mining, Energy and Science - Joondalup Campus - Tuesday 19 June / 6pm (for students interested in engineering, environmental science, natural science, business, chemistry and Occupational Health & Safety)
University of Western Australia:  
Year 10 & 11 Parent Information Evenings - Thursday 17 May / 6pm - 7pm / Social Science Lecture Theatre at UWA.  
http://www.studyat.uwa.edu.au/parents-teachers/parents/Yr10parents

Murdoch University:  
Course Information Evening - Wednesday 23 May / 6 - 8pm. For more information contact n.qwymn@murdoch.edu.au , call 9360 6382 or visit http://www.experience.murdoch.edu.au/event/course-open-night-Wednesday-23-may

Murdoch Mondays - First Monday of the month between April and December 2012, the Murdoch Student Centre will extend its opening hours to 7pm

University of Notre Dame:  
Course and Information Evening - Tuesday 29 May / 5.30pm courses expo, 6pm presentation in Tannock Hall of Education.  
Contact 9433 0533 for more information or visit www.nd.edu.au

National Youth Science Forum 2013 - for Year 11 students interested in . Applications open now and close 31 May. For further information see the National Science Forum website http://www.nysf.edu.au

House Dance - Miss Dhana White  
The House Dance Festival has come to a close for another year. Congratulations to the winning House McDonald. It was a very close competition and a very entertaining performance. All the girls should be very proud of their performance and their commitment and dedication towards this festival. Thank you to all the staff who assisted and made the performance a success! Bring on next year...
Languages - Mrs Angela Velletri, Head of Learning Area

Benvenuta, Angelica Zappacosta!
All students of Italian are very fortunate to have Professoressa Angelica Zappacosta in their language classes. Angelica is an Italian Language Teacher Assistant from our sister city Vasto, Abruzzo in Italy and is working with the Language teachers and students. She will be at Mercedes until the end of the year.

Angelica has studied Adolescent Psychology at the University of Florence. At the moment she is completing her specialization in Experimental Psychology. She has had experience working as a receptionist in a hotel in Vasto. She is keen to improve her English while here in Australia but also hopes to share her knowledge of the Italian language and culture with staff and students.

Culture in the City - Chinese Tea Ceremony

On May 15, the Culture in the City Club organized a Chinese Tea Ceremony, in the new Confucius Classroom. This was presented by Qin lǎo shī (Ms Junxia Qin), who is our Year 7 and 8 Mandarin teacher. The elegant Chinese music as well as the beautiful procedure of tea making captured the attention of everyone who participated.

All students and teachers had the chance to taste the authentic Chinese tea. Through this event, students have gained a better understanding about Chinese tea culture. It was truly a fantastic event loved by all teachers and students in the Culture in the City Club.

Mercy Service-Learning - Mrs Christine Aldous, Mercy Service Learning Coordinator

Dads and Grandfathers: Can you help?
For the past two years the College has assisted the local YMCA by providing books for their small library. This year we have been approached for magazines that are in good condition. As the majority of customers are male we are seeking titles on men’s health, sports, outdoors, motoring, boating and fishing. The magazines can be left on the table outside the Mercy Service-Learning office. The collection will be ongoing.

Mercy Now Prayer - Sr Breda
You are invited to join with staff, parents and friends in Mercy every second Tuesday during Term Two for the Mercy Now Prayer. The Prayer gathering will take place in the Staff Room at Mercedes College from 3.45pm - 4.45pm. The next Prayer gathering for Term Two will be held on Tuesday 29 May.

Mathematics

One of the many Maths Week’s activities, Letters and Numbers (without the letters)
Music - Mrs Claire Gamlin, Music Coordinator

Trinity Junior and Middle School Music Night
The girls in the Wind Ensemble will be performing next Friday night at the Trinity Junior and Middle School Music Night. They are to arrive at the Trinity College Cultural Centre and meet at their rehearsal room by 6.45pm. The girls will wear their full winter uniform for this performance. The girls may leave once their performance is finished (approximately 7.50pm) or stay to watch the rest of the performances. Entrance is by a gold coin donation.

Diary Dates
Please take careful note of the performances marked with a * as the dates are different to those in the school diary.

- **Sunday 20 May**
  - Open Day 10.30am - 1.45pm **Rock Band, Senior Percussion Ensemble** (to allow time to set up and pack up)

- **Monday 21 May**
  - National Conference Local Government Managers Select Choir to meet at Convention Centre by 7.45am - 9.30am **Small group of Select Choir**

- **Friday 25 May** *
  - Trinity College Junior and Middle School Music Night arrive at 6.45pm. Performance starts at 7.30pm **Wind Ensemble**

- **Wednesday 4 July** *
  - Trinity College Senior Music Night (please arrive by 6.45pm) performance at 7.30pm. Ticket information will be given out at rehearsals. Black performance dresses will be worn. **Orchestra, Wind Orchestra, Select Choir, Madrigals**

Relay for Life Inspires Students

The threat of rain didn’t dampen the spirits of students eager to participate in the recent Relay for Life event held at the WA Athletics Stadium. The event is run by the Cancer Council and raises money to help fund the research, prevention, education and support services for the Council.

Our team, Mercedes United, which was supported by the Young Mercies, consisted of 48 students, parents, teachers and friends. Each person took turns to walk or run laps around the stadium in tribute to those whose lives have been affected and lost to cancer. The first lap around the track is in honour of cancer survivors and carers. Teacher, Mrs Sabrina Hughes and her husband Peter represented the College in this lap, cheered on by the Mercedes Team who eagerly joined them in their fundraising efforts.

Mission Leader, Rosa Speranza said it was wonderful to see our students connecting with some older ex-students who were participating in the event and delighted to see Mercedes students there alongside them. “Throughout the 24 hours we had older women come up to the tent and congratulatate students and teachers on their presence. These conversations were often prefaced with a proud introduction of being an ex-student and then sharing their own story explaining why they were walking,” she said.

The group was well supported during the 24 hours by parents who helped set up tents and cooked food for the hungry students and teachers. The tents provided much needed protection for those braving the weather that was forecast. Participants clocked up 768 laps and raised more than $3000. A fantastic team effort! Congratulations to Isabella Di Carlo who was our biggest fundraiser with $597. Many thanks to the students, parents, and teachers for their help throughout the event.
Science - Mr Peter Mountford, Head of Learning Area

The Science Experience is open to Year 9 and 10 students. It is a 2 - 4 day experience where students will be introduced to some of the wonders of science and technology, learn about careers in science and technology and much more. Programs are non-selective. Cost is $110 for a 2 - 3 day program and $145 for a 4 day program (Sponsorship is available through Rotary). For more information and application forms see your Science teacher, local Rotary club or www.scienceexperience.com.au

Sport - Miss Corinne Kirry

Lightning Carnivals
On Monday 7 May and Tuesday 8 May, all Year 7 - 9 girls competed in the ACC Lightning Carnivals. This carnival is designed to include girls of all abilities to represent Mercedes College in a sporting competition. The score of each game did not contribute to anything; however the focus for the day was to participate in a fun, physical environment with support from their peers. Each student chose to participate in either soccer or netball. The Year 10 1AB PE Studies girls and other Year 10 sports enthusiasts coached the Year 7 and 8 girls and the Year 11 2AB PE Studies girls coached the Year 9 girls. This opened the opportunity for the junior girls to grow a friendship with some of the senior students and vice versa. All girls represented the College with pride showing great sportsmanship. Well done to all players and thank you for the fantastic coaching.

Tennis
Every Wednesday morning, 12 girls from Years 7 - 11 meet at Robinson Park in North Perth at 6.45am to learn the basic skills of tennis. Their skills have developed dramatically and have grown a passion for tennis. They have just finished the first 6 week course. If you would like to learn how to play tennis and join this group, please speak to Miss Kirry (or email ckirry@mercedes.wa.edu.au) regarding the next 6 week course.

Year 12 Career Mentors’ Breakfast
Year 12 students raved about the wonderful time they had talking to the mentors at this year’s breakfast. The Mentors’ Breakfast is held each year to provide an opportunity for students to gain valuable information about careers they may be considering, and also to find out what life is like at University.

Andrea McLure who sat at the Law table with Brie Ayling (1995), who is a criminal lawyer, said it was comforting to know that you do not need to have your pathway mapped out straight away.

"Brie explained that to begin with she found general law very dry, but she found as her studies progressed that her pathway became much clearer."

Brie Ayling works for Legal Aid WA as defence counsel for people charged with criminal offences. It was the first time Brie has attended a function at Mercedes since she graduated and was very impressed with the way in which the students were considering their future careers. She said the students had lots of questions which showed how much thought they had given to their tertiary options.

Ex-students were invited from diverse career backgrounds including architecture, environmental science, journalism, medicine, law, nutrition, journalism and finance. Students were given the opportunity to select a Mentor they wished to speak to and during the breakfast they were able to move to another table and gather information from another mentor.

Many thanks to the Friends of Hospitality for organising a beautiful breakfast.
Woolworths Earn & Learn 2012 Program
Collect your stickers at the checkout of your local Woolworths supermarket until 22 July and place on your daughter’s sticker card. Once the card is complete simply return it to school or drop it in the collection box at your local Woolworths store. Last year your docketts helped the library gain valuable resources.

Entertainment Books
Please make sure that your 2012|2013 Entertainment™ Book payment is made by Tuesday 22 May. Year 7 & 9 families, who received an Entertainment Book to view please make sure your daughter returns your Book by 22 May. If you wish to keep your book, please provide payment by Tuesday 22 May. Payments can be made online at www.entertainmentbook.com.au/orderbooks/831119. Thank you for supporting our College fundraiser.

Mercedes Netball Club - Helen Moulatisiotis
We had a great gathering for team announcements on Sunday 22 April. Thank you and welcome to all our coaches for the season. Thank you to all the parents who have helped in getting the season up and running with a great start to the season on Saturday with the rain staying away and most teams having wins...A special welcome to our Year 7 girls who all had convincing wins for their first game of the season. Well Done. After this week there will be minor changes in the grading which may affect your team. Look out for Michelle’s email to adjust your division/grade if necessary. Thank you to all our umpires for a wonderful job, without them there would be no safe games.

Student Achievements

Hockey
Congratulations to Georgia Wilson (11.1) who has recently returned from Newcastle with the WA State U/18 team, where she was named ‘Player of the Tournament’.

Gymnastics
In the State Artistic Gymnastics Championships held recently, Annabel Ridley (9.3) was runner-up State Champion for 2012 at the recent WA championships for Level 8. She will also be representing WA at the upcoming Women’s Gymnastics National Championships in Sydney from 26 May - 3 June at the Sydney Olympic Stadium. Kimberley Morrissey (9.1) was placed fifth overall, in Level 8. She will be competing in the Trans-Bass Competition in Tasmania in August, as a member of the second State team.

LEAP Foundation
Charlotte Burnell (11.6) has been nominated by the College to be our representative to attend a Leadership Excellence Attaining Potential (LEAP) program at UCLA in Los Angeles. Charlotte will join other young people (School and University students) from Perth for the July program.

Academic Task Force
- offer a range of courses; including Master Classes, WACE Help Weekend Classes and Yr 7, 8, 9 & 10 Saturday Classes. For more information contact 9314 9500, email learn@academictaskforce.com.au or visit www.academictaskforce.com.au

Cathedral Concert
– Sunday 27 May 2012 / 7.15pm. Celebrate the spirit of Pentecost with Spiritus; an organ and choral recital that will created an atmosphere of both contemplation and exhilaration. Tickets $25 / $20 Concession / group discounts available. Contact BOCS 9484 1133 / www.bocsticketing.com.au.

Catholic Youth Ministry Events
WYD RIO 2013 Information Evening
– 23 May 2012 / 7:30-8:30pm. Information night for youth aged between 18 - 35 years old interested in the WYD 2013 Rio pilgrimage. 40A Mary Street, Highgate. RSVP admin@cym.com.au or 9422 7912
Port Kennedy Sunday Sesh
– Free youth night featuring extreme skating demo from Brother Gabriel and guest speaker Paul Kelly. Mass at 5pm followed by Sausage Sizzle and Sunday Sesh 6.00pm – 8.00pm. St Bernadette’s Parish, Port Kennedy. Contact admin@cym.com.au or 9422 7912
Rex Band Tour
– May 27 2012 / Octagon Theatre – UWA / 7pm. Tickets only $20 - contact CYM Perth on 9422 7912 or email Jesus Youth perth@jesusyouth.org.au
Edmund Rice Camps (ERC) Quiz Night
– Friday 25 May 2012 / 7pm / Aquinas College, Salter Point. $20 per person. For more information call 9365 2826, email awalker@edmundrice.org, or visit www.edmundricecampswa.com.au
