Dear Parents/Friends/Staff & Students

RE: MERCEDES COLLEGE 2009 FOOTY TIPPING COMPETITION

The 2009 Mercedes Footy Tipping competition will be starting soon. Although we have some very serious Footy Tippers out there, this is more of a **social competition** in which students, parents and friends can participate.

We encourage you to join us this year for another exciting Footy season. Register online before Thursday 26 March 2009.

You do not need any knowledge of or interest in football to enter. **The competition will be available online via the link below. This means you will be able to register your entry and your weekly tips on line. If you would like to register online just click on the link below and follow the instructions. You can use the attached payment form or visit the College website and download the form or call Jackie Stacey or Greg Shine to obtain a form. After completing the form you can email it back to jstacey@mercedes.wa.edu.au or fax on 9323 1333 or post it to Mercedes College, Victoria Square, Perth 6000.**

The Mercedes College footy tipping competition address is <http://www.footytips.com.au> . After you register online, payment will have to be made within one week of registration or before the end of Round 1. Make payment to Mercedes College.

If payment is not made prior to the end of Round 1, your registration will be removed by the Administrator and if payment is not made and you are the winner of the round, winnings will not be paid to the winning competitor.

Should we receive insufficient registrations to cover costs (approximately 65), the competition weekly round prizes and end of season prizes will change or the competition will not go ahead and all registration payments received will be refunded.

Competition rules and information about the prizes are available on line when you register. Your tips have to be lodged online or dropped in to the College and results can be checked on via the footytips website. You will also automatically receive an email from the footytips.com.au website informing you of your results for each round.

INFORMATION

The **major prize** will be awarded to the person with the most correct tips over the regular season. Should there be a tie for the major prize, the winner will be decided on closest cumulative margin prediction across the 22 rounds. If a tie still results, it will be decided by a raffle with the first name drawn being deemed the winner. The runner-up prize will be shared by the remaining tipsters with the most correct tips over the season. If no tie for the major prize occurs then the consolation prize will be shared by the overall second placed tipster(s).

WEEKLY PRIZES will be decided on the most correct tips and the closest predictions of the winning margin for the Round. If there is more than one weekly winner with a similar margin, the winner will be decided by way of a random draw. A **weekly random prize** will be drawn from a raffle of all competitors (minus the weekly winner / co-winner) who have correctly lodged tips for that round in the Mercedes College 2009 Footy Tipping Competition.

RULES

If no weekly entry is received the person will be allocated the 'away' teams and a margin of **40 points** for the first game of the round. **If an entry is received on the lodgement date after lodgement time as advertised on the footytips website, the person will be allocated the 'away' team and a margin of 40 points for the first game only of the round.**

A drawn match will result in no points being awarded for that game/round.

Entry fee - \$55.00 per registration payable in advance as soon as possible prior to the end of Round 1. Payment can be made by cheque, credit card or cash (only if paying in person). Do not send cash in the mail. Alternatively phone Mrs Stacey on 9323 1323 to register.

Publication of results. You will be automatically notified via the footytips website of Weekly results. Final results will be published in the College Newsletter, at the end of the competition.
