Welcome to Mercedes Netball Club. Netball has been a part of the college since 1930 and since 2005 been run and managed by Parents and ex-students of Mercedes College.

The club is growing every year with 22 teams from Year 7 through to Year 12 in 2015, making it one of the largest clubs in the Perth Netball Association.

Our focus is to:
- Provide opportunities for students and alumni of Mercedes to participate in netball activities
- Ensure all coaches and umpires are assisted with mentoring and development opportunities so they in turn can support the playing teams effectively and efficiently
- Emphasise the positive attributes of netball participation including personal enjoyment, learning to cope with winning and losing, improve fitness and health and teamwork
- Encourage participation in netball so that students and alumni may develop new skills and a broader network of friends
- Promote interactions and behaviours that sustain the involvement and retention of players coaches and other associated persons over the long-term

With an extensive grading process players are placed into teams and division according to skill level allowing all players in each team playing their role in the team. This is proving to be a successful formula as we are able to get a majority of our teams through to the finals and several coming home with the Grand Final results.

We have also nominated several girls for regional and district level netball with several being very successful. The club provides opportunity for the girls to be involved in coaching and umpiring for the club. This not only proves to provide them with a chance to take on leadership roles giving them responsibility to show the importance of good sportsmanship as well as passing on netball skills.

The club has a “NO TRAIN NO GAME” policy. If you are unable to commit to training PLEASE Do Not Register to Play. We require a level of commitment from all players for the club to run smoothly.

Support
We require parent support throughout the season with grading sessions, getting season up and running and windup as well as roles as Coaches, Team Managers, Umpires, Committee Members.

Grading
Grading is conducted over several weeks in February through to March. Dates will be confirmed closer to commencement of term 1 2016 via school. Each year group is put through two grading sessions, the first we grade the player and the 2nd grade teams for team grading. Grading is COMPULSORY and all players are expected to attend their allocated timeslots.

Registration
This flyer is a general overview of the club. Registration for the 2016 season will only be done via the mynetball website. As a new player you will have to login the site as a new player and register. Here you will be able to pay fees and pay for uniforms. You will be given a unique player number which will enable you to log on at any time and view game times and results. The 2016 season will be updated early on in January. All relevant information will be sent out to interested players in the first few weeks of the commencement of the 2016 school year.
